---

- Purpose** The organization supports horticulture and horticultural related projects and those groups that are involved or directly related. Education is emphasized. Areas of interest include horticultural-related research, education, therapy and community improvements.
- How to Apply** Submit a one-page initial inquiry letter including organization's mission statement; history, project purpose, total project cost and amount of funding requested. Initial applications are due in our office by August 30<sup>th</sup>. Inquiry letter must be on letterhead and also include the phone, fax and email. Selected applicants will be requested to submit complete details by October 31<sup>st</sup>. Attachments related to the application are then accepted. In the application, applicants must include how Colorado Garden Show, Inc. will be recognized for the grant award. Grants are selected by early December with distribution at the annual Colorado Garden & Home Show in February.
- Restrictions** Funding is limited to nonprofit or private sector organizations, and government agencies. Grants are not available to homeowners associations and political organizations. Grants are not awarded for plan development or design; salaries, administrative costs or other overhead. Only one grant or proposal per application or applicant division is considered annually. The maximum grant is \$25,000.
- Primary Areas Of Interest** Civic/Community Improvements; Education
- Grant Types** Capital Improvements, Matching, Project/Program Support, Research
- Geographic Interests** Colorado Statewide
- Deadlines** August 30<sup>th</sup>
- Recent Grants** Colorado State University Master Gardener Program, City of Brighton Xeriscape Demonstration Garden, Colorado Mental Health Institute of Pueblo Horticulture Program, Grand Lake Greenway Town Park, Volunteers of America Senior Center Horticulture Program
- Trustees** Unavailable
